- Large, nationwide database of pilots and crew
- Flexibility to switch between different crew members to find the best fit for each trip
- Pilots are Captain-qualified<sup>1</sup> allowing them to perform either PIC or SIC duties
- State-of-the-art technologies custom-designed for business aviation to keep things accurate and efficient
  - Crew member training records and currency are actively tracked and monitored using JetPro's exclusive **CrewTrac™** system
  - Exclusive **TripTrac™** mobile app for pilots and crew to simplify and expedite their time and expense reporting (crews get paid fast)
- JetPro is the employer of record for all crew members, ensuring full coverage under JetPro's workman's comp and commercial general liability policies
- Individual pilots or flight attendants may be referred to us for signup

## From trip request to final invoice in just a few simple steps.

- 1) **Trip Request** – Call, text or e-mail our 24/7 scheduling department with your trip information.
- 2) **Crew Availability Check** – JetPro will immediately initiate an availability check to find options for qualified and available crew.

### 3) Client Approval –

Electronic dossiers are presented to you for approval. Once approved, we ensure contact information is shared so all team members can communicate about trip planning and logistics.

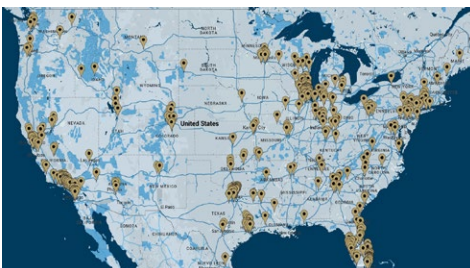

- 4) **The Trip** – Our crew member(s) do their work, partnering with your crew member(s) as needed to ensure a safe and successful trip.

- 5) **Expense Reports & Payroll** – Behind the scenes, our crew members will submit their time and expense reports using our **TripTrac™** system. Then, JetPro ensures these reports are properly screened and our crew members are paid quickly.

- 6) **Invoice** – A summarized invoice supported by full trip and expense detail will be sent. Crew expenses are passed through with no markup.
